

Moving from his native Denver, Colorado, Jeff Lane headed west to Los Angeles to study guitar at the Musician's Institute. Performing on the sunset strip and in Europe with his bands Burningdown, and Heart of Cygnus, *Jeff caught the attention of labels, journalists, and musicians like **Mike Portnoy (Dream Theater)** - who selected Heart of Cygnus' album "Over Mountain, Under Hill" for his top 10 list in 2009.*

After four albums and single with Heart of Cygnus, Jeff resumes his passion for Alternative Rock. Based in Los Angeles, California he continues to focus on writing and performing for **Burningdown**.

The debut self-release album from **Burningdown**, "**Carry On**" chronicles the thoughts and dreams of lost souls looking for their place in the world... *Featuring the writing, singing, and playing of multi-instrumentalist, **Jeff Lane**, accompanied by the pulsating grooves of renowned French musician **Franky Costanza** on drums.*
